MAKING THE COMEBACK

As organizations begin coming back to the office, we've prepared a re-opening program for the Merritt 7 community that helps facilitate a safe and healthy return to the workplace.

Additional Safety & Social Distancing Protocols:

- Face coverings will be required in all common areas
- Prominent signage, 6-foot distance floor markings, and hand sanitizer dispensers have been added throughout M7
- Maximum elevator occupancy will be limited to two (2) people at a time
- Each building will have separate designated "up" and "down" stairwells

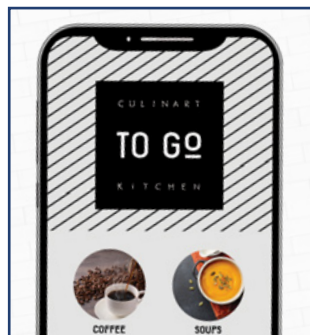

Enhanced Cleaning Procedures & Services:

- Extra cleaning & sanitizing routines will be enacted in all buildings, particularly to high-touch surfaces in common areas such as door handles, elevator buttons, faucets & other fixtures
- Requests can be made for deep cleaning services to thoroughly disinfect private tenant office space

Visitors & Deliveries:

- Tenants are encouraged to limit visitors & deliveries to only those essential to business operations
