TENANT EVENTS ARE BACK!

Merritt 7's Curated In-Person Tenant Programming Continues this Fall

As our tenants continue to make their return to the office this year, we are pleased to announce that something else has returned to M7 — our in-person tenant programming is back! This past summer, we re-launched our tenant programming and, given the success of the events and positive turnout, we will be continuing our program through the end of the year! Be on the lookout for announcements and details on upcoming programming and activations at our newly revamped **Tenant Portal**, and check out our current lineup of events on the next page!

KINGSLEY SURVEY RAFFLE WINNERS SELECTED

With tenant satisfaction being more important than ever during these challenging times, we decided to add extra incentive to encourage tenants to submit Kingsley surveys, which provide us with valuable feedback on our tenants' experiences. All tenants that submitted surveys were into a raffle with prizes meant to help make the transition back to the office a little easier, including free catered events and gift cards. Congratulations to all the winners and thank you to all our tenants for participating!

1ST PRIZE: Inside Source

Catered happy hour at the new 501 multi-purpose center

2ND PRIZE: Hearst Communications

Catered breakfast to welcome their employees back to the office

3RD PRIZE: Frontier Communications

Starbucks Gift Cards for each of their employees.

MAKE YOUR TEAM'S COMEBACK A BREATH OF FRESH AIR

STAYING INFORMED & SAFE

Our top priority is the safety of our tenants and the M7 community, and we appreciate everyone's cooperation and commitment during these challenging times.
